

Ems, June 14th 5

Dear friend!

Many Thanks
for your most welcome letter.
I was much interested in
hearing about the Eyrce
Eyre and seeing their programme.
I hope to be able to hear them
in September, and we must
leave every thing concerning
their Berlin plans until then.
How nice that you will be in
Hovingham. The concerts
there being with a band

Concert!

I am afraid there will be
no opportunity for a
Duet, but of course I
should be delighted to play
(say a Brahms Sonata) with
You. I have chosen the
Concerto in A by Mozart.
My bronchitis is very obsti-
nate, after ten days in Inns
not much change. I stay

another 12 Days. -

I am not able to write
more; only many kind
greetings to you, and
"Auf Wiedersehen!"

Joseph.

Kind regards to Miss
Grist.
